

March 13: 1820

Honored Sir

I trust your Honor goodness will forgive
my freedom in asking this favour but being
over at your Honor Howes after the chanes
for your doges I sawe Graffe Hoves in your
meadow and if your Honor should wish him to take
the color as I have got a little falowing to do and
my mare is very kind and if your Honor will
have the goodness to lend me him for a little time
it would be doing me the gratest of kindness and
I would take all the care in my poower of him
and should (?) as the gratest of favours
and if my mare should be at aney time of aney
youse to your Honor I should be happy for you to
have her I have not half implyment for Hovs

So I remain your Honor

Very Humble Servent

John Dines
